CALL FOR APPLICATIONS – BRIDGE FELLOWSHIP 2019

Former recipients of JSPS visiting researcher and postdoctoral grants, who are regular members of the Alumni Club, can now apply for a BRIDGE fellowship to cover a research visit to Japan, as described in the call:

<https://www.jsps-sto.com/event/bridge2019/>

One fellowship can be awarded to a regular member of the Club. We encourage all regular members to consider this possibility – so far we have had good applications every year, but it is clear that the number of members (just under 40) implies that the competition is not as hard as for many other travel grants.
