

for RESEARCH in JAPAN 2020

JSPS carries out programs that provide overseas researchers who have an excellent record of research achievements with an opportunity to conduct collaborative research, discussions, and opinion exchanges with researchers in Japan.

Features

- We value the pursuit of knowledge above all else. The program is open to all, regardless of nationality or academic field.
- Tailored to a full spectrum of researchers from early-career researchers to eminent scientists
- Flexible durations ranging from short to long terms

Science Dialogue Program

<https://www.jsps.go.jp/english/e-plaza/e-sdialogue/index.html>

The Science Dialogue Program offers JSPS fellows the unique opportunities to volunteer to give lectures in English on their research work at Japanese high schools in the vicinity of their host institutes.

RONPAKU (Dissertation Ph.D.) Program

<https://www.jsps.go.jp/english/e-ronpaku/index.html>

The RONPAKU (Dissertation Ph.D.) Program supports promising researchers in countries of Asia and Africa or other specified countries who wish to obtain a Ph.D. degree from a Japanese university through the submission of a dissertation without matriculating a doctoral course.

Alumni Associations

JSPS supports 20 researcher communities (alumni associations) established by former JSPS fellows in countries around the world, allowing them to maintain and expand their networks among themselves and with Japanese colleagues after completing their tenures and returning to their countries. The BRIDGE Fellowship Program provides members of officially established JSPS alumni associations with opportunities to revisit Japan.
