Please look at our home page if you do not know it <https://www.jsps-sto.com/alumni-club-3/alumni-club-in-denmark/> - you need to scroll to the bottom of the page to find details about the board. The JSPS Stockholm office has a (quite) new LinkedIn page, which you might want to follow. A lot of nice initiatives between nordic and japanese researchers are announced there.

#### HELP US TO RECRUIT NEW MEMBERS

JSPS ACD needs new members (and this point will stay on the newsletter every time, until the situation is rectified!) Regular members need to be JSPS alumni, that is received a JSPS grant before. However, and interest in research/educational collaboration with Japan is enough to be an associate member and while associate members are not eligible for ACD earmarked grants, they still are welcome at event and receive information about regular, open JSPS grants. If you have someone whom you think could benefit from being a member, please send them a link to the application page here:
