

Coordination Self-assembly and 3D electron Crystallography

- The 11th Sweden-Japan Academic Network (SJAN) Seminar -

Tuesday March 14, 2023, 16:30-18:10

Venue: KVA Beijer Hall, Lilla Frescativägen 4A, Stockholm

Program (detailed program [here](#)).

Introduction of Lectures: Prof. Kazuyuki Kuroda (JSPS Stockholm Office)

Lecture 1.

“Coordination Self-assembly:
from Origins to the Latest Advances”

Prof. Makoto Fujita
(The University of Tokyo)

Lecture 2.

“3D Electron Crystallography:
Past, Present, and Future”

Prof. Xiaodong Zou
(Stockholm University)

Followed by QA session and Reception

Organizers:

Royal Swedish Academy of Sciences,
Embassy of Japan in Sweden,
Japan Society for the Promotion of Science (JSPS)
Stockholm Office,
JSPS Alumni Club in Sweden

Registration

(Deadline, March 14) [here](#)
